- C
- C++
- Oracle Database, SQL
- Computer graphics
- CSS

- PHP
- Web Development
- SQT
- HTML
- little bit of python and Laravel

📜 Certificates

- **CyberOps Associate**

Got this certificate from Cisco Networking Academy for completing the IOT related course namely CyberOps Associate through Netacad

- **YugabyteDB Managed Basics**

YugabyteDB Managed cluster and connect to it using YugabyteDB Managed Shell and pgAdmin. The labs in the course include creating a database in YugabyteDB Managed Shell and creating a database using a SQL script and pgAdmin. The pgAdmin lab also showcases how Yugabyte has a high degree of PostgreSQL compatibility.

- **YugabyteDB Fundamentals**

This course about some Key Concepts and Terminology of YugabyteDB and YugabyteDB Architecture also YSQL API. Now feel good experienced with structured data, relational database systems, SQL, and Bash shell. Scripting is very helpful, but not required.

- **IT Essential**

The appropriate computer components to build, repair, or upgrade personal computers. Configure devices to connect to the Internet and Cloud services. Explain how to correctly use tools and safely work in a lab. Explain how to configure, secure and troubleshoot mobile, OS X, and Linux operating systems. Implement basic host, data, and network security. Install and share a printer to meet requirements.

💼 Experience

Online Banking System (project)
• Technology: JavaScript, Notepad++, Eclipse, SQL, Oracle Database.

A Software Development Process Model for Online Environment (Remote process area)
• Software Engineering based project with PHP, SQL, Oracle Database

• **Developing a Software Development Project Management Plan for Dhaka Subway Systems Automated Ticket Issuing System.**
• Technology: Embedded Software System

Fire alert System
• IOT Project work with Arduino(IDE), Breadboard, Flame sensor, LED, Wi-Fi Module, Buzzer.

Online Garage Management System
• Technology: HTML, CSS, PHP, AJAX, SQL.

🏫 Organization

- Tomader Jonno Amra. Volunteering Organization Founder & President
- Smile For All(SFA). Volunteering Organization Volunteer & Member
